Order#: 156274

Product: Real Estate Rubber Duck

Item #: 1113-320944

Imprint Method: Screenprint : Black

Actual Imprint Size: 1 in W x .375 in H

Noe: The imprint area is not very large. We only have a space that is 1" wide x 3/8" tall to fit everything. 5 lines of text is too much. I'd recommend 3 lines of text maximum, just so that the text isn't so squished together like it is shown below. Also please be advised that we cannot make that last line of text any smaller than what is shown here. It's already set to the minimum size required to print legibly. Any smaller would cause this text to fill in and be difficult to read. I'd recommend simplifying your text, even consolidating some of it so you only have 3 lines of text instead of 5.

Dotted Lines Do Not Print

*****IMPORTANT INFORMATION*** (PLEASE READ)**

Please proof carefully for spelling errors, omissions, and layout accuracy. It is your responsibility to correct any errors. Garrett Specialties assumes no responsibility for errors after a proof has been authorized to print. Please note changes or revisions to your proof from your original instructions may cause revision in your ship date. Delays in paper proof approval also may require a change in your schedule ship dates. Occasionally, some fax machines may distort the image. Please pay close attention to numbers.

It is imperative that you view your e-proof and submit your approval and/or changes promptly to maintain your anticipated delivery date.

Please keep in mind that this virtual proof is not a printed sample of your artwork on our product. The size and placement of the artwork may vary from this proof when actually printed on the product. Carefully review the attached proof for verification of copy & layout.

Due to inherent technical differences in color monitors, the imprint colors and product colors depicted in the attached proof will not resemble those in the final product.

We make every effort to match requested custom colors, but cannot guarantee a 100% exact match. Imprints are applied using pad or screen inks. These inks are hand mixed as close as possible to the requested color but may vary 2 to 4 shades. For this reason an exact PMS match cannot be guaranteed.

Your order is ON HOLD until we receive an approval from you in reference to your artwork.
